

MEDICINAL.

Starting and Staying.

At the start in a long race, the advantage often appears to be with an outsider. But the race is won not in starting but in staying. The quality which wins is staying power. It is so in the race of life. Staying power wins, and as a rule the best stayer is the man with the best stomach. All physical strength is derived from food which is properly digested and assimilated. When the food eaten is only partly digested and assimilated there is a loss of nutrition which means a loss of strength and the general result is physical break-down.

Dr. Pierce's Golden Medical Discovery gives strength and staying power, because it cures diseases of the stomach and other organs of digestion and nutrition. It enables the perfect digestion and assimilation of the food eaten, and so strengthens the body naturally by the nutrition derived from food.

"I was troubled with indigestion for about two years," writes Wm. Bowker, Esq. of Julietta, Latah Co., Idaho. "I tried different doctors and remedies but to no avail, until I wrote to you and you told me what to do. I suffered with a pain in my stomach and left side and thought that it would kill me. Now I am glad to write this and let you know that I am all right. I can do my work now without pain and I don't have that tired feeling that I used to have. Five bottles of Dr. Pierce's Golden Medical Discovery and two vials of his 'Pleasant Pellets' cured me."

Accept no substitute for Golden Medical Discovery. There is nothing "just as good" for diseases of the stomach, blood and lungs.

Dr. Pierce's Pellets are easy and pleasant to take. A most effective laxative.

ASSAULT ON TWO WOMEN.

Two women of culture and refinement, alone in their home, at Rochester, were brutally assaulted by three men Tuesday afternoon and \$3000 in money, jewelry and wearing apparel was stolen. Both women are under a physician's care and their condition is critical.

At 3 o'clock Tuesday afternoon two men went to the house at 128 Seio street, where Mrs. Louise M. French lives with her daughter, Mrs. Alicia A. Gardner. The men said they were there to see about the gas pipes. A little later a third man called, and he also was admitted. The three men then traversed the house from cellar to garret, apparently inspecting the gas fixtures in each room and observing every thing that was to be seen.

After speaking half an hour the men left, saying that they had finished their work but they returned in a few minutes, saying that they had forgotten to turn off the gas in the cellar. By this time the women were beginning to grow nervous and they showed the men about. Miss French was in the lead as they passed from the front hall, then came two of the men, then Mrs. Gardner and the third man brought up the rear. As they passed into the sitting room Mrs. Gardner heard her sister scream and heard a heavy blow struck. She struggled toward her sister and was herself met with a heavy smash squarely in the face from the fist of one of the men. Then followed shocking brutality on the part of the ruffians. The women were asked to reveal the place where their money and jewelry was. They insisted that these were in the safe deposit vault. Then they were kicked and submitted to unspeakable indignities, till they saw up the keys to the bureau, where their valuables were stored.

PRETTY GIRLS FROM CHINA.

Madame Wu, the wife of the Chinese minister, sailed from Hong Kong on October 6, and will come to Washington about the end of this month. The Chinese minister has notified the bureau of immigration that his wife will be accompanied by three Chinese ladies, who are reputed to be very young and beautiful, according to the Celestial standard.

Mr. Wu has requested Mr. Powderly to notify the commissioner of immigration at San Francisco of the arrival of these ladies, so that they will not be harassed upon their landing in San Francisco. The officials have promised that every courtesy will be extended to these distinguished Chinese ladies.

Madam Wu's arrival, accompanied by this bevy of attractive young girls, has created much interest in Washington society. The Chinese delegation has always been a center of gaudy, and with the addition of Madam Wu's more companionable the outlook for a brilliant winter is bright. There are a number of unmarried secretaries and attachés. The minister insists that the social intercourse shall be conducted on a similar line to life in ruffled homes in Peking, but this will not militate against conformance to the local customs of this capital.

For several winters it has been rumored that the Minister and Madam Wu would give a fancy ball, and this event is now expected with certainty. It will take place shortly after the opening of the official season. Mr. Wu will go to California to meet his wife.

A BIG ROBBERY.—The detective force of the entire country is hard at work on the biggest robbery of gold and diamonds ever suffered by a firm in Providence, R. I., the chief jewelry manufacturing city in this country.

A jeweler's trunk, containing solid gold stock and diamonds worth more than \$20,000, disappeared seventeen days ago in a mysterious manner while en route from Providence to Boston by express, or after it was received in Boston, and has not been seen since.

The shipment was made by train from Providence, September 23, by the wholesale manufacturing firm of Martin Copeland & Co., to D. C. Percival & Co., 372 Washington street, Boston, in whose care it was to remain until E. W. Martin, of the local firm, should call for it the following Monday morning.

The missing trunk has been traced from Providence to Boston, where all signs of it were lost, though the police believe that it was forwarded by mistake or design to Pittsburg Pa. The trunk contained three jewelry sample cases filled with gold articles.

ROBBED BY A NEGRO.—S. P. Browley, an attorney, at 1003 Thirteenth street northwest, Washington, told the police he was held up by a negro and robbed about 8:30 o'clock last night near the entrance to the Lafayette Square Theatre, in front of the house of Senator Hanna. Browley declares the negro struck him over the face with a stick, knocking him to the ground, then escaped through Lafayette Square. Browley went to the Arlington drug store with bleeding face and was sent to a hospital for treatment. He says he was robbed of a watch valued at \$75 and \$17 in money.

A Convincing Answer.

"I hobbled into Mr. Blackmon's drug store one evening," says Wesley Nelson, of Hamilton, Ga., "and he asked me to try Chamberlain's Pain Balm for rheumatism with which I had suffered for a long time. I told him I had no faith in any medicine, as they all failed. He said: 'Well if Chamberlain's Pain Balm does not help you, you need not pay for it.' I took a bottle of it home and used it according to the directions and in one week I was cured, and have not since been troubled with rheumatism." Sold by Richard Gibson.

"My Family Doctor"

Blue Island, Ill., Jan. 14, 1901. M. Mrs. Ely Bros.—I have used your Cream Balm in my family for nine years and it has become my family doctor for colds in the head. I used it freely on my children. It is a Godsend to children as they are troubled more or less. Yours respectfully, J. KIMBALL.

Judge for yourself. A trial size can be had for the small sum of 10 cents. Supplied by druggists or mailed by Ely Brothers, 56 Warren street, New York, Pa. 110, 50 cts.

"I had long suffered from indigestion," writes G. A. Ledwith, Cedar City, Mo. "Like others I tried many preparations but never found anything that did me good until I took Kiehl Dyspepsia Cure. One bottle cured me. A friend who had suffered similarly I put on the use of Kiehl Dyspepsia Cure. He is gaining fast and will soon be able to work. Before he used Kiehl Dyspepsia Cure indigestion had made him a total wreck. For sale by E. S. Ledwith & Sons."
